February 6, 2022 â€” It's been over 20 years since players first took on the role of Tommy Vercetti in GTA Vice City, and the relevance never wanes. What's more, players often try to recreate some of the locations in the game (or at least show them to other players) in their homes. Of course, there are other ways to play GTA on PC, but here are 8 ideas for those who wish to recreate some of the iconic landmarks from Vice City in their apartment. 1. Abandoned Beaches
