# SAMenu Crack Patch With Serial Key Free Download Latest

[Download](#)

**SAMenu Crack + License Key**

SAMenu is an Explorer context menu utility that can be used as a fast file manager for various Windows systems. Use the context menu to: ⬜ Copy, Move, Rename, Delete or Properties of the selected file(s) or folder(s). ⬜ Change the date of the selected file(s) or folder(s). ⬜ Create new folders or rename an existing folder. SAMenu works on Windows 2000, Windows 98, Windows ME, Windows XP, Windows Vista and Windows 7 systems. SAMenu is NOT compatible with Windows 95/98/Me. If you find SAMenu useful, please take the time to rate it. I also appreciate it when you tell me about your experiences with SAMenu. Thank you for your help. 3.52 MB Categories Description SAMenu was developed as an explorer context menu utility. Here are some key features of "SAMenu": Copy Path to Clipboard ⬜ Copies the path to the selected file(s) or folder(s)to the clipboard. If more than one file or folder is selected, the paths are copied with line feeds between each path. Change Dates. ⬜ Change the modification and access dates of the selected file(s). Not available for folders. New Folder. ⬜ Creates a new folder as a sub-folder of the current folder. The new folder is called "New Folder". Change R/W Permissions. ⬜ Set read/write permissions on the selected file(s) or folder(s). If you check "Read Only", the file will be set to read-only. If you do not check "Read Only", the file will be set to read/write. Rename All. ⬜ This allows you to rename a batch of files or folders using SAMenu's renaming templates. SAMenu Description: SAMenu is an Explorer context menu utility that can be used as a fast file manager for various Windows systems. Use the context menu to: ⬜ Copy, Move, Rename, Delete or Properties of the selected file(s) or folder(s). ⬜ Change the date of the selected file(s) or folder(s). ⬜ Create new folders or rename an existing folder. SAMenu works on Windows

## SAMenu Crack + With Product Key PC/Windows
