The Elden Ring is a next-generation action RPG that combines the depth of a traditional RPG experience with the intense action of a traditional action game. Play the game alone or with up to four other players. The game includes both an online multiplayer mode, where you can directly connect with other players and travel together, and a matchmaking system that allows you to search for players you want to play with.

Key Features:

- **A Vast World Full of Excitement:** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. With a battle system that lets you fight through various environments, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- **Create Your Own Character:** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- **An Epic Drama Born from a Myth:** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- **Unique Online Play that Loosely Connects You to Others:** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
- **Original Japanese Voice Actors:** Japanese voice-acting in all languages from the English, French, Spanish, and German versions.
- **Exclusive Actions**
