

Based on a dark fantasy novel, a new fantasy action RPG from CAPCOM Co., Ltd. "This is the story of a young man who begrudgingly lives in his grandfather's mansion. He is a regular high school student whose life is rather peaceful. Little does he know that, somewhere, there is a war being fought by a giant spider queen and a doomsday weapon." The story focuses on the protagonist as a young man living a normal life, where you grow as you explore, fight, and progress. You will face many challenges as a player of role-playing games. In this game you will be led on a quest with other adventurers to explore a vast world, fight monsters and explore dungeons. In addition to discovering the story through the player's own actions and the choices you make, the game includes a romance system where you can unlock special "relationship points" and exchange them with characters you meet and grow close to. The game also features a multilayered online action platform that allows you to easily communicate with other players in another part of the game. In addition to your progress online, which will be displayed in the battle with other players, the game features a story system that is completely offline. FEATURES • Supports all major PlayStation®4 consoles including PlayStation®3 • A vast world to explore in open fields or labyrinth-like dungeons • A variety of creatures that fill the world from small spiderlings to large monsters and hostile humans • A variety of maps in each area such as cities, forest, desert, beach, and even underground • A new RPG system allowing for a large number of distinct stats that can be developed with a wide range of possible combinations • Unique Online Play that allows you to loosely connect to other players • Online stories that offer deep, new action as a result of your choices • A character who carries on the "fighting spirit of an Elden Lord" and strengthens with experience • A romance system where you will get closer to characters through exchange of Relationship Points • A story written by acclaimed novelist Hiromu Arakawa ABOUT CAPCOM Co., Ltd. CAPCOM (CAPCOM U.S. Inc.), a wholly-owned subsidiary of CAPCOM , has been creating innovative, culturally rich entertainment for the motion picture and home video market in the form of games and entertainment software titles since 1986. The company develops
