Radio Navigation. Posts Tagged 'IRS' In what is a "second class apology", the right-wing website Daily Caller published a report titled "From the IRS to the Dutch: Domestic Terror Groups Targeted". The news article is based on a criminal complaint filed by the Department of Justice yesterday to the U.S. District Court for the District of Colorado (Case No. 14-CR-013030). In a criminal complaint, the feds are required to provide evidence on a number of issues, and the result shows that the DOI claims that several domestic terrorist groups, including the Atomwaffen Division, the "militias of Rojava", the Army of Misrule and the National Socialist Underground, are active online and plan to commit violence. "We must never give up on the men and women who are trying to fight against the illegal and unethical treatment of people. We must not give up the belief that they will indeed transform their society. We should show what is possible if we stand together and want to create a new world." It seems that this is the message they are trying to send with this latest action. Click to access the PDF report. The news in the Netherlands is concerned with a report 0cc13bf012

Apoptosis assay Apoptosis in the liver tissue was detected using a TUNEL apoptosis detection kit (Trevigen, Gaithersburg, MD, USA). Hepatic tissues were fixed with 10% formalin and paraffin-embedded sections were prepared. TUNEL assays were performed using a TUNEL apoptosis detection kit and according to manufacturer's instruction. The number of TUNEL-positive
