===== Abe's Facebook: ===== ABOUT Abe

===== "Abe" to me means a wonderful smile, beautiful music and beautiful movements. There is always a smile on my face, that's how I feel on the inside. When I was on the Photography, I took many images of my home and my home also came to me. Although I'm only a part-time professional, I feel proud of myself for my hobby. I'm not a professional photographer, my hobby is not about photography, but I hope that you can take some of my photos every now and then. About me: I'm the son of our family. my mother is Japanese and my father is a Filipino. I was born and raised in Japan, but I also lived in the Philippines for an extended period of time. I'm now studying to be a manga artist, and I also love dancing (I enjoy all types of dancing from ballroom dancing to house music). I started my YouTube account when I was 10 years old, so at the time I wasn't very good, but if you're my viewer, I'll try my best. Please forgive my puns. I am not perfect. I hope that you like my songs, and I would be very glad if you would take a look at my other channels. Social Media: ===== Abe's Creatives:
