Re: Got a 12" sword? What gauge is this? What kind of hilt is it? I love swords, and would love to have one similar to this, just not sure if I can get it in the sizing I am thinking of. Any idea how much it is worth? I don't know of any available replicas of this sword. It's very typical of the period, and that probably doesn't help you in your search. I think you'd need a

---

blacksmith's shop to replicate the sword, I think. I'm sure you can find a maker who 6d1f23a050
