TecDoc.SANAA - Since its seizure by Houthi rebels, Tripoli's famous Koudiat Al-Haffar remains covered in black dust. Neighbors have told Al Jazeera that the forced Houthi takeover included looting of homes and a similar fate for the king's music center. Tripoli, like many other southern cities, has been divided since 1994 when former president Hosni Mubarak tightened his grip on the capital. The Houthis, a Shiite Muslim rebel group that originated from north Yemen, are only a few miles away. For 19 years, the two were enemies, but as the Houthi threat looms a

growing number of activists see the groups' uneasy relationship as a chance to advance local democratic causes. The Houthis have been criticized for their rights abuses and brutality since the seizure of the capital and its outskirts in September 2014. But their support among the southern working class has waned, and over recent months they have become isolated from the popular uprising against Hadi's government. "The cities of Saadah and Aden are in a state of turmoil and there is no doubt that this is the fate of the whole country," said Abdel Nasser Al-Obidi, chair of the Riyadh Institute for Democracy in South Yemen. "The Houthis are in the capital because the regime refuses to hand over power, and if the military succeeds in taking the capital back they will resume their march to the south." Elliott Abrams, the former assistant secretary of state for U.S. Special Envoy for Afghanistan and Pakistan, said that the Houthis had used the chaos to push back against the government and undermine the army. The government sacked him last year when he was accused of being responsible for the bombing of the embassy in Sanaa by the United States on September 11, 2012. "The Houthis have always been Iran's stooge," he said. "It is not credible that their movement was meant
