Alas, we don't have permission to play. And without it, you know, you can only try to play. If you have any questions to the organizers and players, please write to us in person. If you want to look at the game, come to the place where the game will start, there will be organized a small field with entourage. To gain access to the game, you must fill out a form and bring a 3x4 photo with you. For those who came but did not fill out the questionnaire, a small wagering will be organized. From the organizers: We can't guarantee the participation of all the players who have entered. dd2bc28256
