The late, great Gene Wilder deliberately kept his off-kilter performance as Willy Wonka a mystery to his castmates. According to the 2001 documentary Pure Imagination: The Story of Willy Wonka & the Chocolate Factory, director Mel Stuart purposely didn't warn his stars how intense the infamous tunnel scene would get in order to capture that sense of realism when Wilder delivered his crazed monologue on the boat. Seems like Stuart just liked surprising his actors! Directed by Mel Stuart and starring Gene Wilder as the legendary Candy Man Willy Wonka, this splendid movie brings to the screen the endlessly appetizing delights of Roald Dahl's cherished book. Coated with flavorful tunes and production designs that are a visual treat for the eyes, this effervescent musical never fails to enchant young and old. On a whirlwind tour of Willy Wonka's incredible, edible realm of chocolate waterfalls, elfish Oompa-Loompas and industrial-sized confections, a boy named Charlie (Peter Ostrum) will discover the sweetest secret of all: a generous, loving heart. And viewers will rediscover all the timeless magic as it was meant to be seen. The biography Storyteller: The Life of Roald Dahl spells out how much Dahl disliked the film because of the many changes to his novel. Though the beloved author eventually acknowledged that it contained many good things, Dahl refused to grant the film rights to his sequel book, Charlie and the Great Glass Elevator, and instructed that a remake of the original never be made during his lifetime. Fifteen years following Dahl's death, his estate approved the 2005 remake of Charlie and the Chocolate Factory.

Warner Bros. Home Entertainment (WBHE) brings together Warner Bros. Entertainments home video, digital distribution and interactive entertainment businesses in order to maximize current and next-generation distribution scenarios. An industry leader since its inception, WBHE oversees the global distribution of content through packaged goods (Blu-ray Disc and DVD) and digital media in the form of electronic sell-through and video-on-demand via cable, satellite, online and mobile channels, and is a significant developer and publisher for console and online video game titles worldwide. WBHE distributes its product through third party retail partners and licensees. The film was nominated for an Academy Award for Best Original Score, as well as an Academy Award for Best Art Direction and Won the 1963 Golden Globe Award for Best Motion Picture-Musical/Comedy. Released on DVD on October 30, 2006 in a 6-Movie set entitled The Great American Chocolate Motown Collection; later expanded into a 10-Movie set under the title The Great American Chocolate Motown Collection (The Golden Collection) on January 31, 2010, GoldBox Instant View on August 16, 2010, and finally Blu-ray on June 29, 2011. The 10-Film set is packaged together with two bonus discs including all 6 films, all 26 songs, and two separate booklets containing the film storyboards, screenplays, and behind the scene photos. In addition, the Blu-ray includes the High Definition Digital Copy which allows the consumer to download the digital copy from either Vudu.com or the iTunes Store. 5ec8ef588b
